Art Unit: 1644

1. Claims 4 and 27-48 are pending.

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 8-2-04 has been entered.

3. It is noted that claim 4 as presently recited is allowable. Claims 27-48 which potentially could be viewed as method claims using an allowed product have not been rejoined with the allowed product because all of the conditions set forth for rejoinder in MPEP section 821.04 have not been met. The method claims are broader in scope than the product that has been previously indicated as allowable.

4. Newly submitted claims 27-48 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the methods of using antibodies that bind to the hLH beta core fragment can be used in an immuno-purification method.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 27-48 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

5. This application is in condition for allowance except for the following formal matters:

Applicant needs to cancel the withdrawn method claims or amend them to cause rejoinder by including all the limitations of the allowed product claim into the method claims.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
